

# The Meadow Lark

A Monthly Publication by and for the Residents of The Meadows, a Family Condominium Community

**This Weekend!**

## YARD SALE

**Saturday, May 6**  
(Raindate – Sunday, May 7)  
**8:00 AM – 1:00 PM**

The annual Yard Sale will once again be a yard sale right here in the community (really a “Sidewalk Sale”), just like we did the last few years.

You may place your wares for sale in front of your unit, on your front balcony or porch, or in the common areas near your unit. Be careful not to block access to any parking spaces or to the sidewalks which will be used for passage throughout the community.

## COMMUNITY CLEAN-UP

**Dumpster next to Clubhouse**  
**May 5-7 (rain or shine)**

In keeping with the spring cleaning theme, a dumpster will be provided near the Clubhouse for use by all residents the first full weekend of May.

You can place items you no longer need in the dumpster for disposal, but there are some things you cannot throw away here. Hazardous materials such as paint, batteries, yard debris and tires may *not* be disposed of here.

## You Can Assist in Creek Clean-up

The stream in Centre Ridge North Park behind Golden Oak Road has become full of trash. We need your help to clean it up.

Join your neighbors on **Saturday, June 3, 2017 from 10 a.m. to noon**. Meet at the playground on Golden Oak Road.

Clean Fairfax, Fairfax County’s environmental non-profit, will have gloves and bags. Free prizes and refreshments will also be given out.

Help keep our community clean!

**Board of Directors Meeting:** Thursday, May 18, 2017, 7:30 PM in the Clubhouse. Residents and Co-Owners are encouraged to attend. Agendas are posted online and at the Clubhouse on the Tuesday before the meeting. Minutes available upon request at The Meadows office and online at [mymeadows.net](http://mymeadows.net).

*Residents and Co-Owners are welcomed and encouraged to attend any committee meeting. Meetings are held in the Clubhouse.*

## Renew Your Passes

### Pools Open May 27

Our swimming pools open on Saturday, May 27. Please be sure that you get your pool passes renewed so you can use the pools.

There will be two pool pass sessions held in the Clubhouse for those who have not had a photo pass in the past. Renewals do not need to come in.

**Saturday, May 20**  
**9 – 10 AM**

**Wednesday, May 24**  
**5 – 7 PM**

*(Details on page 3)*

## Pick Up Your Trash! (and Your Dog’s)

It is being noticed that there is trash scattered around the community. Please be a good citizen and do not leave trash on the common elements, and go one step farther as well. If you see some trash, pick it up and dispose of it properly.

Dog walkers are also cautioned to always pick up after your pooch. Our rules require you to pick up any dog feces immediately and dispose of them properly.

If everyone picked up after themselves, their dogs and also picked up loose trash the community would look so much nicer. Thanks to all those who are willing to pitch in and help with keeping our community clean.

## President's Corner

Hello fellow residents!

Warm weather is finally here. Only a few short weeks before the summer heat and humidity show up so now is the perfect time to get some quality outdoors time in. I recommend one of our many parks that are nearby in our area. Perfect for family get-togethers or for simply enjoying a nice spring afternoon.

A few things to mention:

- Please be vigilant while traveling around our neighborhood due to the increased foot traffic. Children will be playing, pets will be walked, and residents will be out and about enjoying the weather. Please remember to drive safely around The Meadows.
- Car washing has already begun. Keep in mind that ONLY vehicles with Meadows Permits are allowed to be washed on Meadows property. When you are finished, please remember to turn off the exterior water faucet to conserve water.
- Fairfax County will be sponsoring a community cleanup event by the creek in our neighborhood on June 3. On behalf of the Board, I would love it if members of our community would join in the effort. Please check the website for more details.

Take advantage of the cool sunny weather! Update your gardens, socialize with your neighbors, or simply take a walk around the neighborhood! In the end, be safe, be smart, and enjoy the beautiful weather before the Washington DC summer heat and humidity show up!

Take care!

## New Policy Resolution

At the April Board of Directors meeting the Board passed a new Policy Resolution, No. 17-57. It modifies previous Policy Resolution No. 05-34 relating to insurance claims. The details regarding this can be found on The Meadows website: [mymeadows.net](http://mymeadows.net). If you would like a copy of the resolution, one is available in the management office.

## Board of Directors Motions

*At the April 20 Meeting:*

- Passed a motion to approve the 2016 audit.
- Passed a motion to accept the proposal from Goldklang and Associates for preparation of our audit and taxes for 2017 and 2018.
- Passed a motion to approve an Interior Alteration Request for a remodeled kitchen.
- Passed a motion to reaffirm an email vote which approved tot lot mulching.
- Passed a motion to approve a bid of \$74,940 from Middledorf for painting.

## Noise Reminder

In the summer months we all like to spend time outside to enjoy the warm weather and socialize with our friends and neighbors. It is important to remember that we need to minimize disturbances to others even when we are outdoors. Loud music and boisterous conversations can create a lot of unwanted noise for others. Residents of upper units need to be especially careful of heavy walking and running in their units in the late and overnight hours.

Please remind children to be respectful of others while playing. Avoid rowdy horseplay and loud games near windows and patios, never use items from neighbor's porches or patios and do not bounce balls on the exterior of the buildings.

## Fire Regulations

- Kerosene, or any fuel heaters, are forbidden by Meadows regulations.
- Residents should not store combustibles in furnace rooms. It is a serious fire hazard and is against County and Meadows regulations.
- Smoke detectors are required on *each level* of homes in The Meadows.
- Charcoal grills are prohibited on The Meadows property.
- Residents should maintain a fire extinguisher in their units. It should be rated at least 2A:10BC.

## Carbon Monoxide Detectors

The furnaces and most hot water heaters in The Meadows use gas. It is imperative that all homes have a working carbon monoxide detector. Carbon monoxide is a colorless and odorless gas which can cause death.

## Overcrowding

### Important Information on Occupancy

It is important to remember that The Meadows follows Fairfax County Code regarding the number of individuals permitted to reside within a unit. The residency restrictions are quite lengthy and are based on square footage, familial status, egress/entrance points, and many other intricate calculations, as well as numerous exceptions to each of these standards. State and Federal regulations also have to be factored in to the complex occupancy equation.

A very brief overview of Fairfax County occupancy restrictions can be found here: <http://www.fairfaxcounty.gov/code/property/overcrowding.htm>. If you would like more detailed information regarding the occupancy standards, contact the Fairfax County Department of Zoning at (703) 324-1300.

Often we find that authorized tenants of over-occupied units have sub-leased to additional people without the knowledge or consent of the unit Co-Owner. Off-site Co-Owners should be especially concerned about this issue as it can create excessive wear and tear to your unit, as well as hefty fines from Fairfax County and The Meadows. We encourage you to visit your unit often and conduct unannounced inspections to make certain that your unit is in compliance with County regulations and your lease agreement.

### Occupancy Reporting Process

When you suspect a unit may be in violation of occupancy restrictions, please immediately notify the Fairfax County Zoning Office to report your suspicions. The County now has a task force in place that handles overcrowding, so they are able to respond to complaints much more quickly than they could in the past. They can be reached by telephone at (703) 324-1300 or an on-line report can be filed here: [www.fairfaxcounty.gov/complaints](http://www.fairfaxcounty.gov/complaints).

After you have reported this to the County, please report this to the Management Office in writing. Once we receive your written report we will send a letter to the Co-Owner and follow up with Fairfax County officials to be sure they communicate with us on the status of their investigation. Should the County determine that the unit is in fact over-occupied The Meadows may assess financial penalties to the unit Co-Owner.

We hope that by working together as a community we can ensure that The Meadows and our residents are protected from the potential problems that result from over-occupied units.

## Parking in The Meadows

As a reminder, any vehicle parked on Meadows property must display a valid parking permit. The acceptable forms of a permit can either be a Meadows parking sticker, a green Visitor hang tag, or a red Frequent Visitor hang tag. For details on our parking rules and regulations, please feel free to contact The Meadows office, or refer to the 2017 Meadows Rules and Regulations, Section X: Rules Governing Motor Vehicles.

## Important Pool Pass Information

### Renewal Passes

If in the past you received a pool pass with your photo on it, you will not need to come to the Management Office or a pool pass session to get your 2017 pool pass. Simply complete the Pool Registration Form (delivered to your door in early May or go to [www.mymeadows.net](http://www.mymeadows.net)) and return it to the Management Office by mail, email, fax or hand delivery. For afterhours convenience you can also leave the form in the black Council mailbox located in front of the Clubhouse. Provided your account is in good standing, once we have received your completed registration form your pool passes will be updated and left at your front door. Keep in mind that it will take several days for your passes to reach you once the registration is received, so plan ahead to ensure you are able to enjoy the pools as soon as possible. Only the 2017 pool passes will be accepted by pool staff.

### New Passes

For new residents or those who have not had a photo pool pass before, you will need to attend one of the pool pass sessions at The Meadows Office in order to have your photo taken and pool pass issued. The pool pass sessions for NEW passes are:

Saturday, May 20 • 9 AM until 10 AM

Wednesday, May 24 • 5 PM to 7 PM

If you are a new resident you will need to be sure that a copy of your settlement sheet or lease agreement is on file with the office. If not, please bring the document with you to the pool pass session. If you are not sure, feel free to contact the Management Office to find out if we have your documents already on file. You will also need photo identification and completed Pool Registration

Form. Be sure to attend one of these sessions as you must have a 2017 pool pass to enter the pools.

### All Residents

It is important for new and existing residents to remember that your account must be in good standing in order to receive a new or renewal pool pass. Tenants should check with their Landlord to confirm account status as The Meadows is unable to discuss accounting information with Tenants under any circumstances.

### Guest Passes

Again this year, each household will receive one free guest pass! This pass will allow complementary pool entry for one guest (guest must accompanied by a resident pass holder). The pass can be used throughout the 2017 swim season. Additional guest passes can be purchased for \$5/day at the Guard Shack.

## Remodeling?

Any desired changes to the exterior or interior of your unit must be submitted on an ARF or Request for Interior Alteration form to the Board of Directors for approval **PRIOR** to the change being done.

## A/C UNITS

If you replace your air conditioning unit, you may install it inside your utility room or submit an ARF for proposed exterior installation.

## Satellite Dishes in The Meadows

## Requirements for Installing Exterior HVAC Units

Recent EPA changes in air conditioning and heating standards have made future maintenance and availability of interior HVAC units much more difficult. While there should be no problem maintaining an existing interior unit for the rest of its useful life, units installed in the near future will have difficulty finding a machine that will fit into the utility closet and obtaining the refrigerant for these units will become pricey. Eventually, the refrigerant currently used will no longer be available and these units will not be able to be recharged.

As a result of these changes, The Meadows Board of Directors has reconsidered allowing HVAC units to be installed on the Common Elements. Going forward, Co-Owner's who would like to install an HVAC unit on the grounds will need to follow the steps below:

- Any Co-Owner wishing to install an HVAC unit on the Common Elements must submit their request in writing to the Management Office.
- Once a request is received an appointment will be made for The Meadows Maintenance Supervisor to meet with the Co-Owner and/or the Co-Owner's HVAC contractor to review the specifications and provide detailed requirements for the installation.
- After this meeting the Co-Owner must submit a completed Architectural Review Form (ARF) outlining the agreed upon details of the proposed installation, an Installation Agreement and a copy of the contractor's license. The Board of Directors will then review the documents and make a determination on whether or not to approve the installation.

### REMEMBER:

**ANY HVAC UNIT INSTALLED ON THE COMMON ELEMENTS  
WITHOUT WRITTEN BOARD APPROVAL  
MAY BE REQUIRED TO BE REMOVED AT THE CO-OWNER'S EXPENSE.**
