

The Meadow Lark

A Monthly Publication by and for the Residents of The Meadows, a Family Condominium Community

At Centre Ridge Elementary

Annual Meeting on December 11

The Annual Meeting of the Council of Co-owners of The Meadows will be held on Tuesday, December 11 at 7:30 PM in the Theater of Centre Ridge Elementary School.

The election of new Board members to the Board of Directors will be held at this meeting. Four two-year terms on the Board are up for election this year. There will also be a presentation of information about what is going on in the community.

Centre Ridge Elementary is located at 14400 New Braddock Road, it is the school attended by elementary students from The Meadows. Please plan to attend this important meeting.

Decorating Contests

The Halloween Decorating Contest judges had a wonderful time viewing all of the fine decorations throughout the community. After careful consideration the decorations at the following addresses were chosen as the winners: 6163 Strasburg Drive, 6172 Strasburg Drive, 14417 Golden Oak Court and 14473 Cool Oak Lane.

There will be another decorating contest, the Holiday Decorating Contest. This contest will be judged on Saturday, December 22 from 6-8 PM.

Vacant Seats on the Board of Directors

We currently have two open seats on the Board of Directors. If you are interested in investing your skills, talents and time into your community, then the Board would like to talk with you! To be considered for appointment one of these seats you must be a co-owner and your account must be in good standing. The Board meets on the third Thursday evening of every month with a few work sessions or special meetings/events throughout the year. If you meet these requirements and are interested in serving, please drop an email to brooke.themeadows@verizon.net or stop by the Management Office to complete an application.

The Meadows

Fire Regulations

- Kerosene, or any fuel heaters, are forbidden by Meadows regulations.
- Residents should not store combustibles in furnace rooms. It is a serious fire hazard and is against County and Meadows regulations.
- Smoke detectors are required on *each level* of homes in The Meadows.
- Charcoal grills only are prohibited on The Meadows property.
- Residents should maintain a fire extinguisher in their units. It should be rated at least 2A:10BC.

Carbon Monoxide Detectors

The furnaces and most hot water heaters in The Meadows use gas. It is imperative that all homes have a working carbon monoxide detector. Carbon monoxide is a colorless and odorless gas which can cause death.

Christmas Tree Pick-Up

According to Fairfax County regulations, Christmas trees must be recycled—they cannot be put out with your trash. For your convenience, a drop off area will be located next to the Clubhouse on Strasburg Drive, December 26– January 10.

All decorations, including tinsel and garlands, must be removed. If you use a carry plastic bag, this must also be removed.

Holiday Tip From Security

We are in the holiday season, and many people are receiving more packages at this time of year than is usual. Thieves are smart enough to know this, and can take packages from people's front porches or steps. If you are expecting a package, be on the lookout for the mailman or delivery driver so you can receive the merchandise you ordered without someone else getting it first. Help your neighbors out as well, if they have a package sitting on their front porch take it in and give it to them once they are at home.

Keep the Lights On!

In order to promote safety in our neighborhood, everyone is reminded to leave your porch lights on, both front and rear.

Generally, criminals like to operate in the dark, so the more light that is present, the less likely they will be to strike in that area.

Although we are blessed to have street lights, they cannot provide full light everywhere. If all units keep their porch lights on, the level of light in the community will be much more of a crime deterrent.

Frozen Pipes = Big Trouble!

Our Management is trying to make sure that the utilities remain on and the thermostats are set to the proper temperature in all units to prevent pipes from freezing and breaking. This is done to prevent water damage to the affected home as well as the possibility of water damage to surrounding homes.

You can help by reporting vacant units to the office as soon as you notice them. Send reports to the office via email, fax or phone. Make sure that you include the address. Report any evidence of possible broken pipes or water coming from a unit immediately! See the back page for office and emergency after hour phone numbers.

Parking in The Meadows

A reminder: any vehicle parked on Meadows property must display a valid parking permit. The acceptable forms of a permit can be a Meadows parking sticker, a green Visitor hang tag, or a red Extended Visitor Hang tag. Residents may not use Visitor tags. For details on our parking rules and regulations, please contact The Meadows office, or refer to the *2018 Meadows Rules and Regulations, Section X: Rules Governing Motor Vehicles.*

Don't Feed the Critters!

Occasionally residents are putting out various food items to feed the birds, squirrels, etc. It should be noted that it is against Meadows rules to do this, in fact even dogs and cats must be fed inside your unit and no food for them left on the Common Elements.

In the past we have had a rodent problem in some areas of the community, which was either caused or made worse by having a food source available for the mice, and even worse, rats. The rat problem has been controlled, we have bait stations in several places within our development, but if food items are left out, the rats are more likely to feed on this rather than the bait which will control their population.

Our feathered and furry friends for the most part have food provided for them by nature, we do not need to feed them. And we certainly don't want to attract more rodents into our community. If you do see any rodents, please let the office know so action can be taken to eradicate them.

Utilities Must Remain On!

ALL Co-Owners are required to keep the utilities on in their units. The heat must be set at or above 65°F in all units, vacant or occupied. This temperature may seem a little high, but one must consider that the furnace room where the pipes originate is unheated and may be affected by the wind chill factor. Another thing to consider is if the water is turned off, it remains in the pipes and is subject to even quicker freezing. Every year, major damage to several units has occurred as the result of pipes freezing and breaking in this manner.

Any damage resulting from broken pipes, etc., caused by improper heat being maintained in a unit will be the responsibility of the Co-Owner. A minimum of 65 degrees Fahrenheit must be maintained during the winter months. – Rules and Regulations.

In addition, to this regulation, The Meadows Rules also includes a Utility Maintenance Requirement for all units. It states:

In the event that a Co-Owner does not keep electric and/or gas utilities connected as required, the Council of Co-Owners shall take any and all measures reasonably necessary to protect the common elements of the condominium which shall include but are not limited to the appropriation of funds to reconnect and maintain electric and gas utilities. All costs and changes incurred by the Council shall be assessed against the unit owner.

You can help by reporting vacant units to the office as soon as you notice them. Send reports to the office via email, fax or phone. Make sure that you include the address. Report any evidence of possible broken pipes or water coming from a unit immediately!

Ice & Snow and Our Trash Service

In the interest of safety, drivers will make a judgement call as to whether they can make it up and down our streets in inclement weather. If your vehicle skids five feet in the snow, a large trash truck will slide at least thirty feet. The rule of thumb on snow/ice days should be to put your trash out. If the trucks can't get there that day, they will not return

for it until the next scheduled pickup day. (If your trash is not picked up, remove it until the next scheduled pickup.)

Safety Reminders

■ Keep Your Porch Lights On!

In order to promote safety in our neighborhood, everyone is reminded to keep your porch lights on, both front and rear. Generally, criminals like to operate in the dark, so the more light that is present, the less likely they will be to strike in that area.

■ Regular Furnace Maintenance

It is critical to ensure safe and efficient operation of your furnace regardless of the age of the unit. Many heating and air conditioning companies offer discounted specials this time of year.

■ Carbon Monoxide Detectors

The furnaces and most hot water heaters in The Meadows use gas. It is imperative that all homes have a working carbon monoxide detector. Carbon monoxide is a colorless and odorless gas which can cause death.

Important Safety Issue!

It has been noticed that the insulation covering the electric wiring and gas lines running from the meters into the utility closet at some units have deteriorated, which could eventually result in exposed wiring. Exposed electrical wiring may cause injury, so please check the wiring behind your unit as soon as possible.

These sections of wiring and gas lines belong to the Co-Owner and it is the Co-Owner's responsibility to maintain them; however, we have been made aware that the utility companies may perform this work at no cost. You can reach Washington Gas at (703) 750-1000 and NOVEC at (703) 335-0500.

Please take a moment to inspect your wiring and gas line and contact the utility company or a certified electrician to make necessary repairs as soon as possible.

Reminder for Pet Owners

The Meadows Rules and Regulations state that all pet feces must be bagged and removed from the Common Elements immediately. In addition, please be reminded that the Fairfax County Leash Law is in effect at The Meadows. This law requires dogs to be on a leash at all times when outside. For the health and safety of our residents, please immediately remove dog feces and keep dogs leashed at all times when on the Common Elements. It is important to remember that violations of these policies could result in the assessment of penalties in the amount of \$50 per occurrence.

In addition, please do not leave the baggies you use to scoop up your dog's waste anywhere on the Common Elements. These baggies should be placed in the proper pet waste stations that we have located throughout the community or should be taken to your unit for proper disposal.
